BRISTOL

(SPECIAL CORRESPONDENCE)
BRISTOL, July 24.—Four copper head snakes, each measuring forty inches in length, were killed by Will E. Dennison while mowing hay on his farm on Indian run last week. They were all inside of a ten-foot square of ground. Perhaps this story may seem "fishy" to some people, because a copper head snake measuring even more than thirty inches is very rare in this state. But Mr. Dennison says he can prove it to any doubting Thomas.

Mrs. May Ward and child, of Wheeling, are visiting Mrs. Bertina Barnes.

A splendid surprise dinner was given to Melvin D. Lough by his wife and daughter Sunday, July 20.

in honor of his fifty-seventh birthday. Quite a number of his friends and relatives partook of the dinner with Mr. Lough, among whom were Mr. and Mrs. Marshall Carter, Mr. and Mrs. Jay Lough, Mr. and Mrs. William James and Mr. and Mrs. Amos T. Carter. The afternoon was spent in discussing the topics of the day and social enjoyment.

James Bumgardner and family, of Salem, took an automobile ride out to Indian run Sunday and spent the day with Mr. and Mrs. Robert M. Carter and family.

Harry Jackson and son, Chester, and mother-in-law, Mrs. Matilda Ward, went to Parkersburg Saturday where Mrs. Ward will visit for several weeks. Mr. Jackson and son returned Sunday evening.

Quite a number of farmers throughout this district are going into their harvesting with sleeves rolled up this week. Heretofore they were a little slow about cutting down much grass because of the frequent rains and high waters. Several tons of first class timothy hay belonging to Dr. D. C. Louchery was ruined on his farm in the East End by being flooded.

Mr. and Mrs. Howard Jones and daughter, Miss Beatrice, are spending a few days at Marshville guests of relatives.

Mr. and Mrs. George A. Grow and daughter, Miss Sayde, were guests of Mr. and Mrs. Charles Donnelly here Sunday.

ALL WRONG

The Mistake is Made by Many Clarksburg Citizens.

Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right.

A Clarksburg resident tells you how. Henry Baker, Alta Vista, Clarksburg, W. Va., says: "I don't know but they certainly put me to a lot of what caused my kidneys to get so bad trouble. The kidneys secreted were filled with sediment and passed too frequently. I had to get up at night. I suffered from rheumatic pains in my back and limbs. After I sat down, this trouble kept up for a long time until I began to use Doan's Kidney Pills. They soon made me feel much better in every way. I was relieved of the rheumatic pains and the kidney action was regulated. I gave Doan's Kidney Pills all the credit for the good health I have had since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—Advertisement.

To The Young Expectant Mother

Women of Experience Advise the Use of Mother's Friend.

There is a certain degree of trepidation in the minds of most women in regard to the subject of motherhood. The longing to

possess is often contradicted by the inherent fear of a period of distress. But there need be no such dread in view of the fact that we have a most noble remedy in what is known as Mother's Friend. This is an external application that has a wonderful influence and control over the muscular tissues of the abdomen. By its daily use the muscles, cords, tendons and ligaments all gently expand without the slightest strain; there is no pain, no stress, no nervousness, what was dreaded as a severe physical ordeal becomes a calm, agreeable, joyful anticipation that has its foundation in the fact that the body is in perfect health.

In almost every community there are women who have used Mother's Friend, and they are the ones that recovered quickly, conserved their health and strength to thus provide over families destined by the rules of physiology and the history of successful men and women to repeat the story of greater achievement.

Mother's Friend is prepared after the formula of a noted family doctor by the Randolph Regulator Co., 136 Canal St., Atlanta, Ga.

Write them for their instructive book to expectant mothers, and ask for Mother's Friend on sale by all drug stores at \$1.00 a bottle.

The Clink of Comfort

in a glass of

Iced Postum

Means more than the passing pleasure of a cool drink on a hot day.

Postum contains no drugs, but it does contain vitalizing food elements from wheat that afford lasting refreshment, and sustains the heat-weary body by furnishing the support Nature requires.

Instant Postum dissolves instantly in hot water. Chilled with ice and flavoured with sugar and lemon, it makes a delicious drink that cools and comforts and is really a food for Brain and Nerves.

and assaulted him but he escaped without serious injury as he proved feet of foot and did not tarry to test his endurance as a fist fighter. The man appears to have been wrongly accused and has had nothing whatever to do with the trouble.

Shortly after 1 o'clock in the afternoon strikers not having appeared at the pump station, Sheriff Stout and his several regular, and special deputies withdrew.

The middle of the afternoon a committee of about a dozen strikers went to the pump station and ordered the engineer to shut the station down. He complied but said he would not leave until the night engineer came on.
